

**Grow your
business with
our help**

Act Today are your local CRM experts enabling you to better understand your customers.

Act! is a flexible CRM system that can be tailored to the needs of your business. Compared to other CRMs, Act! is really affordable, feature-rich yet so easy to use.

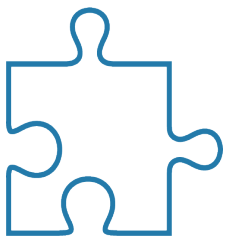

At Act Today, we partner with you to implement your CRM solution and help you to improve your overall business processes.

Best of all, our team supports the system locally, so if you need help we're always here.

Simple to use

Act! is easy to use and simple to navigate - you will be amazed at how user-friendly it is. This is one of the main reasons why so many businesses have chosen Act! over other CRMs in the market.

Uniquely yours

Act! is a flexible CRM system that can be tailored to the specific needs of your business. Whether you are a large multi-national, SME or small start-up business, Act Today can help tailor Act! CRM to suit your needs.

Local support

Act Today are here to help implement and integrate Act! into your business. We offer local support allowing you to grow and adapt the system as your business needs evolve.

Would you like a free Act! demo?

It's not a sales pitch. We'll talk you about the areas in your business that feel pain and let you know if and how Act! can help to solve those problems.

Our goal is to make our clients businesses stronger by providing a customer relationship building solution that will enable their success and growth.

We don't just sell you the software - we partner with you to ensure you get the most out of your CRM. From developing your CRM strategy, through to design, deployment, training and ongoing management, we help you every step of the way.

Our accredited consultants have the breadth of knowledge about the product and services that goes beyond just making a sale. We take the time to talk with you to understand your business and tailor the CRM accordingly.

Our streamlined integration process means your CRM strategy is brought to life quicker, with minimal down time for your team. Essentially, we take the pain out of your CRM implementation and provide ongoing, real-time, local support.

Act! is perfect for small & medium businesses
